THEY'RE TALKING ABOUT US!

Perfectly organised, in a friendly setting that encourages people to get to know each other, quality discussions where everyone wins.

SALESFORCE

Well done for this not-to-be-missed e-commerce event. Thank you to our partners and advertisers for the rich discussions. It was a great event that helped me to unblock, enrich and confirm my roadmap.

CHRONODRIVE

Thank you for a great event. The discussions were very rich, with a lot of transparency and pragmatic solutions to boost our business.

GROUPE ROCHER

The must-attend event of the year, or how to get your perspective work done in just 3 days and network with your peers over some convivial time! Long live One To One Retail E-commerce!

OKAIDI

When it comes to e-commerce, and commerce in general, one-to-one is the place to be every year.

GROUPE SEB

A top-notch event! We've just had 3 days of high-quality meetings with France's leading e-tailers. These exchanges allow us to initiate or enrich our relationships with our prospects and customers in a refined and elegant setting.

PAYPAL

It's an incredible event, with some great meetings that generate real business leverage for partner solutions.

ALLIANZ TRADE

One To One e-Commerce is the highest quality show in terms of workshop content and participants (solutions encountered and brands). The meetings are always fruitful for exchanging best practices. The show enables me to define my roadmap projects for the next 1 or 2 years.

JOTT

An e-commerce trade show in a pleasant, friendly setting, with a wealth of high-quality discussions. Very inspiring for developing your e-commerce business.
